VORTEX INHIBITOR FOR MOLTEN METAL DISCHARGE

RECEIVED
FEB - 1 2000
TC 1700 MAIL ROOM

Commissioner of Patents and Trademarks
Washington, D.C. 20231

Sir:

SUPPLEMENTAL DECLARATION UNDER 35 USC § 251

1. Robert J. Koffron declares that he is the inventor and applicant of the subject matter in U.S. Patent Application Serial No. 08/450,271 and the interim continuations seeking reissue of U.S. Patent No. 4,871,148.

2. Every error in the patent which was corrected in the present and preceding reissue applications, and is not covered by a prior oath/declaration submitted in this application, arose without any deceptive intention on the part of the applicant.

3. All statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
